

Active Employee Listing — Template

Question 1.4: Active employee listing including employee ID, name, designation, department, hire date, and location.

Company / Entity Name		As of Date		Prepared By	
-----------------------	--	------------	--	-------------	--

[illegible]

Template guidance: Add one row per active employee. Include all six requested fields. Continue on additional pages if the employee population exceeds the available rows. Use the same date and location conventions throughout the listing.
